

## Business Games Events

### What's involved?

A range of creative and fun 'table-based' activities designed to get your team working together and focusing on team based issues.

### When could we use these?

Great for shorter breakout sessions or for teams that are looking for a more focused activity outcome.

### How long do they last?

Approx 1-2 hours

#### 1. Rollaball

Different teams but all with one objective – to construct a runway that will deliver a ball from one end to another. Great fun!
